AT SEATTLEUNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

KYLE LYDELL CANTY

Plaintiff,

VS.

KING COUNTY, et al

Defendants.

Case No. 2:16-CV-
01655-RAJ-JPDMOTION TO
CHALLENGE
CLERKS OF
THE COURT

MR. Cauty on the 7th day of the third month of the year 2017 moves on the Courts With this odd motion to Challenge the Clerk who has Changed the format of form Pursuant to LCR 103 42 U.S.C. 1983. The Clerk knowingly, intentionally, and willfully mailed MR. Cauty the forms and she/he wrote on MR. Cauty's forms

ammended Complaint.

The problem with this is pursuant to LCR 103 42 U.S.C. 1983, The form in question is not to be used as a ammended Complaint form, In fact the lower Courts of the Ninth Circuit (Seattle don't have ammended Complaint forms, MR. Canty would rather write out his own ammended Complaint so that the Courts won't paraphrase his facts wrong, also form LCR 103 42 U.S.C. 1983 purposely doesn't give inmates enough space to intelligently state the facts so "Relief can be granted" MR. Canty would further advise the Clerks of the Seattle Branch to stop mailing unsealed mail on purpose all mail must be sealed when you send it to
